

Elders Tea & Bannock

Hosted by the Beaver Creek Youth

The youth is going to try something new this Fall and Winter, they will be working on building a relationship between them and all of Beaver Creek Elders. How?

- They are hoping that elders will be willing to share their bannock/cookie recipe and teach them how to cook it. (4 hours)
 - They will have hot tea ready to serve
- They are hoping that Elders of Beaver Creek will come and share stories of their culture, Beaver Creek History and much more. They will have a camera to record this history.

If you are interested in sharing your recipes, share a cup of hot tea and stories please let Bessie know at (867) 862-7802 ext. 106
