RE: Past and upcoming mentor/apprentice workshops

Dear members of White River First Nation,

Connie Jules and Colleen Joe-Titus from the Yukon Native Language Centre delivered a mentor/apprentice workshop in Beaver Creek on September 28th and 29th. This event brought together fluent speakers and members interested in learning their languages. Photos from the workshop are included on the next page.

A second mentor/apprentice workshop is being offered at the end of October. Connie and Colleen will serve as the facilitators once more. It will take place in Whitehorse on the 26th and 27th of October.

The workshop will take place at the SKYY Hotel, which is located on the Alaska Highway right across from the airport. Breakfast, lunch, and dinner on both days will be provided at the venue. Fuel will be available at the Super A gas station. The workshop will start at 9am and end at 4:30pm each day.

Rooms are available for members who need accommodations. To book a room, please contact project manager Cody Sharpe at 306-380-8275, cody@codysharpe.ca, or on Facebook at www.facebook.com/cody.sharpe.106902. You can also follow this project's activities by joining the White River First Nation Language Revitalization Group on Facebook at <https://www.facebook.com/groups/490813654717250/>.

Regards,

Cody Sharpe
