White River First Nation Morel Mushroom Harvesting Permission Form

The White River First Nation Morel Mushroom Permission Form was created to ensure that people harvesting on our Traditional Territory are respectful of our lands, water, wildlife, and people. Please drop off your completed permission form at our Lands and Resources Department located in Whitehorse or our Main Administrative Office in Beaver Creek. If you cannot drop off the form, please email it to naturalresources@wrfn.ca. We ask that you carry a copy of your permission form on you at all times and you follow our guidelines while harvesting.
